Matt, Trish & the twins came out to join us at our place at Mara Lake the same summer Trish was writing her exams to join Westjet. Matt brought his two "3D" Sea Doo's that we had so much fun tearing up and down the lake. We made it back to shore one afternoon just before a wicked storm hit and ~~we~~ that we watched

Matthew Loh was the most kind
hearted person I have ever met,
even though we were never close
he always extended a hand if we
needed it. My hope is that he'll
be remembered as a Father, Uncle,
and a friend. May the god of earth
bless him on his way to heaven

Love Someone 😊 / Maren

Shared b-day cakes whenever our families
were together... But not Linda, never Linda!
But we let her in on the last one! @
Snowball Fights in Guymon, Thanksgiving
dinners together... many good times,
and shared hard times. I remember
when Matt & Trish came to Duncan w/ Brittney.
We both had babies at that time, their
first and my third. Last, best memory....

AT OUR PLACE OF WORK. NOW WHENEVER

AT CHRISTMAS 2004 I RECEIVED AN
URGENT CALL TO CALL HOME WHILE
ON VACATION IN MEXICO. ?? NO
ONE KNEW WE WERE THERE...

MATT WANTED TO GET A IDEO OF ME
BECAUSE OF A JOB OPPORTUNITY. HE
FIRST DID A REVERSE SEARCH ON MY

HOME PHONE. THEN LOOKED ON EITHER
SIDE TO GET MY NEIGHBORS PHONE #'S.
CALLED A NEIGHBOR WHO SAID WE WERE
IN DISNEYLAND. MATT TRACKED OUR
TRAVEL AGENT WHO TRACKED US DOWN...
ALL PRE-MEXICO CEL PHONES! I AM
GRATEFUL BECAUSE, I GOT THE JOB. THANKS
TO MATTS DETECTIVE WORK. GREENHOSSON.

From Justin & Suzanne Eykelbosh: We met Matt and Trish at the Calgary Winter Club, our youngest, Naomi is the same age as Maddy & Declan. As Suzanne and I tried to expand our family, Matt and Trish were so very supportive and loving. We went the I.V.F. method and had twins 4 years later. The twins are now 11 and we might not have survived those early years without →

← The love and support from the entire
Loh family. Young twins was an adventure
that Matt and Trish understood and shared
with us. We loved the times we spent with
our families together inside and outside
of the Winter Club. Matt will be missed
greatly by us.

Every time he would scare the crap out of us on those tubes. Can't even count the amount of times he said he would throw me in the ocean to "get rid of" my fear of fish.

Love you Uncle Matt

From the Boswells, Jeff, Kim, Rebecca
Ruby and Robin. We met Matt when
Maddie and Rebecca were in kindergarten.
Jeff was still getting over the fact that his
3rd daughter had just arrived and his
dreams of sons in the NHL had been dashed.
Nevertheless he was determined to turn
his girls into hockey players. Untill Matt
taught him the ways of ringette and
fully converted a die hard "hockey dad"
into a full fledged "ringette dad". All three
of our girls play ringette thanks to Matt, and
Jeff coaches ringette all the while converting his
former hockey buddies to ringette families too. →

all our friends and sport
success in ringette began
10 years ago when Matt Loh
converted us to it. We are
forever grateful for getting
to know him and his wonderful
family. Thank you so much
Matt + family. Thinking of
you always,
The Boswells.

Matt loved watching Declan play hockey. He always asked me to convince Declan to continue playing whenever I saw him. He was an incredible guy and his devotion to his children and the wellbeing of other will always stay with me.

Saturday at Provincials
we were on dinner duty
together. While making
kebabs, here are a couple
things we chatted about:

- How Matt & Trish
met at an Engineering bash
that the Nurses were invited
to.

- Brittany's quest for
50 countries in 50 yrs and
her upcoming honeymoon
cross of 3 more countries

- Time spent at cabin

in Montana

- Travelling - trips to Germany. His desire to visit Washington DC.

- Ringette of course!

- Cooking - I think there was some mention or story about stuffing a turkey?

That's all I can remember

Had fun getting to know Matt a bit better that day even tho we'd know each other a few yrs.

The last time I saw my uncle Matt was ~~one~~ when I was visiting at Oma and Opa's after the Christmas holidays of 2017. At this time my parents had already gone back to Vancouver. I was going to meet up with some friends in the North of the city and he happened to be going that way so he gave me a ride. He offered for me to drive his BMW but I was too nervous and declined. I don't remember exactly what we talked about in that drive but I remember just enjoying the time and feeling so encouraged by him. He may have teased me a lot but the encouragement and joy he always brought was the best. He will be missed forever, Love you Uncle Matt.

him @ rec. hockey

Always a big smile and
warm hug when we crossed
paths at Calgary BMW where
I worked, and at the Flames
Games. But my absolute favorite
memories of Matt were living
on McHenna Way, playing cards,
& having bbq's with the O'Grady's.

MEMORY: SPENDING A PERFECTLY
GOOD SUNDAY AFTERNOON WITH
MATT, CARLA, AND ME WITH PARENTS
PICKING PECANS BEHIND THE COMANCHE
LAKE DAM. BORING! ALL WE COULD
FIND WAS AN OLD TREE TO CLIMB
AND MAKE WHAT WE COULD OF THE
DAY.

A stylized, cursive handwritten signature, possibly initials, located at the bottom of the page.

My first memory of
Matt was coming to
the house for a garage
sale + we bought
Lauren's 1st pair of

skates. Matt + Trish
encouraged Lauren to
try ringette, which has
been a huge part of
our community.

Lauren + Dave Chouin

Matt's positive attitude
will always be remembered.
I loved how he could
see the whole game! He always
viewed the loss as a TEAM,
not as individuals. He taught
Taylor and I so much about
the game. Always in our hearts.
