## Excerpts from “Desiderata”

by Max Ehrmann

Go placidly amid the noise and haste,  
and remember what peace there may be in silence.  
As far as possible without surrender  
be on good terms with all persons.  
Speak your truth quietly and clearly;  
and listen to others.

You are a child of the universe,  
no less than the trees and the stars;  
You have a right to be here.  
And whether or not it is clear to you,  
no doubt the universe is unfolding as it should.

Therefore be at peace with God.  
Whatever your labours and aspirations,  
in the noisy confusion of life keep peace within your  
soul.

With all its sham, drudgery, and broken dreams,  
it is still a beautiful world.  
Be cheerful.  
Strive to be happy.
